

COMMITTED TO **Life** AND **Transformation** IN THE PRESBYTERIAN CHURCH (U.S.A.)

The Presbyterian Coalition was born out of concern and hope:

concern that the PC(USA) would continue to uphold and give witness to historic biblical standards of leadership, and hope that the Lord of the Church would still use the people and polity of the PC(USA) to work his will. To that end:

We gather Presbyterians from across the nation for equipping, encouragement, and action.

We work with renewal partners to effect positive outcomes at General Assemblies by bearing witness to the truth, and by informing, equipping, counseling, and praying with commissioners.

We advocate for openness and fairness in process.

We encourage sessions & presbyteries to help set the agenda at General Assemblies by serving on committees and entities, and by sending up overtures with overture advocates.

We are a visible presence for reform and renewal at General Assemblies and other meetings of the denomination. We sponsor events, offer resources, give testimony, and report and critique the work done as well as the actions taken by church bodies.

We help elders and pastors strengthen their presbytery networks, prepare for important votes, and make effective use of the overture process.

We offer publications and a website rich with practical resources on a variety of topics related to our church constitution, ordination standards, and discipline.

We have a Discipline Team available to provide experienced advice to presbyteries and sessions dealing with cases of constitutional defiance. We stand by those who use the judicial process to uphold biblical standards of leadership, and offer resources to aid their efforts.

We have made a strong and effective contribution to success in overcoming repeated efforts to change the moral standards for leadership in the PC(USA).

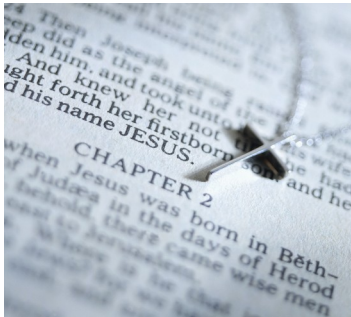

In all that we do, our goal is to preserve a form of government and a process of governance in the PC(USA) that is biblically faithful, to the end that the Church might proclaim the gospel of Jesus Christ with integrity and joy throughout the world.

To God be the glory!

Exalting Jesus Christ, Energizing Congregations, and Upholding Historic Biblical Leadership Standards

The Presbyterian Coalition envisions a denomination . . .

- Obedient to Christ's call and to the authority of Scripture in our lives and in the Church.
- Committed to fulfilling the great ends of the Church.
- Truly representative of the convictions of biblically committed people in the pews.
- Governed with fairness and transparency at all levels, with parity between active elders and ministers who are accountable to viable congregations.

Be a part of the work.

***Together as a coalition,
we can make a difference!***
